Dear Friends,

We are the Space Coast Hurricanes. We are 4 competitive Theatre on Ice figure skating teams representing the Space Coast Iceplex Figure Skating Club in Rockledge, FL. We are the only Theatre on Ice teams in the State of Florida and we are once again honored to represent Rockledge, Brevard County and the State of Florida in the upcoming 2020 season. We are reaching out to you and our community for support.

Each year 3 of our teams have traveled to participate in the National Theatre on Ice competition held somewhere in the United States. We have been a part of this great event since its inception in 2005, when there were **less than 15 teams** total across the country. We just returned from 2019's Nationals that were held Pelham, Alabama with **more than 80 teams and over 1,300 skaters** participating from across the United States. This genre of figure skating (*known as Ballet on Ice in Europe*) has quickly grown in the US and all over the world.

Our youngest Intermediate team are the 2019 US National Champions winning gold for their division this past June. Our Junior and Adult teams also brought home medals and titles for our teams. We are grateful and honored to continue to represent our community in Theatre on Ice competitions.

The *Space Coast Hurricanes Theatre on Ice Corp.* is a non-profit organization under the IRS rules of a 501(c)3 corporation. Participation in these events costs thousands of dollars per team. We are mainly self-funded as an organization and are actively fundraising and soliciting contributions and supporters to help offset the some of the costs for our teams to participate in these competitions.

Your donation will directly help with competition entry fees, unofficial practice ice rental, costumes, scenery and other expenses we incur year round running this program to attend this competition.

We hope you will consider a donation in support of our skaters. Please complete and return the attached support form with your contribution so we can recognize you or your business in one of the various ways listed.

You may also support our teams by providing merchandise or services that we may use as prizes or auction items at future fundraising events.

Please visit our website www.spacecoasthurricanestoi.com where you can learn more about our teams and see some of our performances. Find us on Facebook!

Thank you for your support, it is greatly appreciated! We invite you to attend one of our recitals at the Iceplex, we are sure you will enjoy the show.

Sincerely,

The Space Coast Hurricanes Theatre on Ice teams and Coach Katie Nyman

What is Theatre on Ice?

Intermediate 2019 – Haunted Mansion- 2019 National Champions !

The Space Coast Iceplex and Coach Katie Nyman are proud to be one of the first ice rinks in the country to host a Theatre on Ice Program. Although popular in Europe for almost twenty-five years, the discipline is fairly new to the United States.

The Iceplex has four teams this year, Intro, Intermediate, Junior and Adult currently in operation and three of the four are traveling, competitive teams.

Theatre on Ice (TOI) is a concept using all aspects of figure skating, incorporating a theme, emotion or story, and enhanced by music. The performances include five dimensions:

Choreography, Skating Movements, Props or Scenery, Sound and Music, a Central Theme

Junior 2019 – Cats

The Story of Theatre on Ice at the Space Coast Iceplex

Coach Katie Nyman and the Space Coast Iceplex started this program here 15 years ago bringing together many higher-level figure skaters and working them as a team. Since then there have been four teams formed, three which travel and compete at National and International levels.

Our first Gold Medal was won in 2007. Since then, the teams brought home many medals and made friends all over the world.

Adult 2019– Villains

Coach Katie Nyman

Katie Nyman is from the United Kingdom where she skated on the London based team which won the first ever Theatre on Ice event in Rouen, France in 1981. She has an extensive background in professional ice shows, performance and choreography. She has brought this exciting discipline to Florida since 2004 and now has four teams with almost 80 skaters.
